The Challenge to you is this....
Get involved Develop and participate in an SAE, Elevate your participation in Leadership Development and Career Development, Participate in Community Service

Elevate Self Discipline

We have to stop choosing today's pleasure rather than tomorrow's future. What you do today or what you don't do today has a profound affect on what happens in your tomorrows. It takes the everyday of getting up and getting it done. Its not always popular, its not always fun, but it is critical. Procrastination is the enemy of self-discipline.

WORK BASED LEARNING

Special Thanks to Muleshoe Animal Clinic for being a WBL Partner this fall. SE Ag will have a student in the clinic this fall.

WORK-BASED LEARNING

It's what you make of it... What you do today becomes who you are, where you've been, and where you are going.

The Earth Ranch Rodeo is our main community service activity... Work will begin on getting the arena ready for the rodeo.
