Elevate Gratitude

"As we express our gratitude, we must never forget that the highest appreciation is not to utter words but to live by them." *John F. Kennedy*

ELEVATE the habit of being grateful for every good thing that comes to you, and to give thanks continuously.

And because all things have contributed to your advancement, you should include all things in your gratitude.

Do it for YOU! Are you SUSTAINING THE PACE as you go by the grandstands the first time or falling behind and getting mud in the face?

Take Responsibility for your year and your life. A dream does not become reality through magic. It takes sweat, determination and hard work.

Doing nothing is very hard to do... you never know when you're finished.

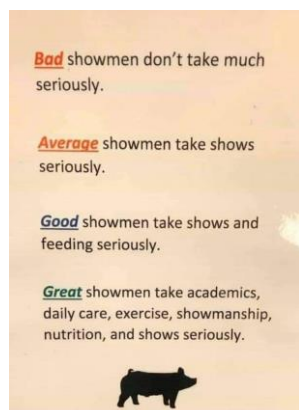

Happy Thanksgiving!

November is LDE Month
Good Luck to those students
